Activities schedule 2022 revised

In our previous newsletter we communicated a provisional planning for the activities in 2022 to the neighborhood.

Due to the shift in carnival activities and other things taken into consideration, we had to change the planning. More about this later in this newsletter.

Tuintjesmarkt (*Garden market*) worth repeating!

From the many positive messages we can conclude that the Tuintjesmarkt deserves a second edition!

Before, during and after the Tuintjesmarkt on April 18th, we not only received many enthusiastic messages, but also many tips for next time.

In order to keep room for a diverse range of activities, as required of us by the Municipality of Oosterhout, we plan to organize the Tuintjesmarkt once a year.

Quite a scare!

It was a shock a month ago. Walter, the initiator of Team Activities Kastelenbuurt, in addition to his (partly) invisible chronic limitations, had acute complaints that resembled a stroke, but fortunately this has been ruled out.

Now that he is going to fully rehabilitate from home to learn to deal with the loss of his arm and leg and his sometimes disturbed speech, he has unfortunately had to choose to take a step back regarding his commitment to the activities in the Kastelenbuurt.

Walter hopes that the activities can continue as much as possible, but his involvement will be more in the background from now on.

Thank you in advance for your understanding.

Regards,

Daphne, Karin and Cor

Infomarkt (*Infomarket*) on September 4th

On Sunday 4 September we organize the Infomarkt! At this informative market we would like to invite you to get acquainted with local Oosterhout in an accessible way.

With exhibitors such as Thuisvester, Activiteitencommissie Oosterhout (*Oosterhout Activities Committee*) and others with a background in sports, culture, municipal work and safety.

The Infomarkt was initially supposed to take place around Pentecost/Pinksteren, but we have moved it in consultation with the Municipality of Oosterhout.

Extra activity or event?

Do you have an idea for an activity or event in the Kastelenbuurt? We are happy to take on the challenge!

Send a message via the contact details below or put your idea on paper and put it in our mailbox.

Halloween Poll Results

We asked the opinion of our neighbors about which day you prefer to organize the Halloween activities.

Of the two choices

A: Halloween on the date itself; and

B: Halloween on Saturday

Despite the low response, Halloween on Saturday narrowly emerged as the winner.

Since Halloween is becoming more and more popular in Oosterhout and because it is only a small difference in opinion, we have decided to look at it per year and set the final date in consultation with the organizers of activities around the end of October.
